

## **WE CARE ABOUT YOUR BEAUTIFUL FACES!!!!!!!**

Accordingly, all pitchers, first base and third base players in the Major League (Grades 6-8) and the Minor League (Grades 3-5) will be required to wear a face mask - NO EXCEPTIONS.

Our program is committed to keeping all players safe and this simple piece of protective gear will reduce the chance of serious facial and dental injuries. Many of our more experienced players have been wearing face masks for their travel and A.A.U. teams and agree that the face mask gives them the confidence of added protection without any discernable difference in performance.

If the reasons for wearing a face mask are not obvious enough, please read the testimonials/horror stories at:

[www.gameface.com](http://www.gameface.com)

Each team will be supplied with three (3) face masks which can be shared. However, it is highly recommended that your player have her own. Face masks are available at all major retail sporting goods stores and on-line.
